**Explanation of Schedules**  
**Version 16 June A**

Below you will find pages entitled: Research Groups, Summary timetable, Timetable E6A102 and Timetable E6A357.

- Each student will give a *presentation* of their work lasting up to 20 minutes with 5 minutes for questions. Annabelle McIver will circulate an explanation of what is required. Students will also be individually *interviewed* about their progress etc. A student's supervisors can be present for only part of the interview. Annabelle will explain this as well.
- The *Research Groups* gives a list of academic staff who will be running their group's presentation and interview sessions. The first name for a research group is the chair of that group.
- The *Summary timetable* summarises presentation and interview schedules by research group.
- The *Timetable E6A102* and *E6A357* give detail by individual student. An entry such as Pres Name means that Name will give a presentation and Int Name means that Name will be interviewed.
