**UNIT MATTERS**

**COMP115 – *Introduction to Computer Science***

**COMP155 – *Introduction of Computer Science (Advanced)***

Positive feed back

A question was raised about bonus marks and how they are related to the assignments.

Examples of work and information have been good and helpful for students and the unit format has settled down.

COMP155 there have been problems with the auto marker but other than that unit is good with minimal problems.

**COMP125 – *Fundamentals of Computer Science***

No problems with the unit or assignments.

**ISYS123 - *Introduction to Information Systems and Technologies***

No students showed – all reps were emailed and advised of meeting time.

**SLP148 – *Language, Logic and Computation***

Lectures have been good and examples are well presented

**General Issues**

Printers and PCs are running with no problems

**Next Meeting**

***Week 12 - Monday 30<sup>th</sup> May at 2:00pm in E6A202***
